

Unleash your potential at Charles University!

Got a bold idea or side project? CU TTO (Centre for Knowledge and Technology Transfer) gives you the tools, mentors, and community to turn it into real-world impact. Build entrepreneurial skills, gain hands-on experience, and bring your ideas to life.

The Centre for Knowledge and Technology Transfer

CUTTO

What's in it for you?

Entrepreneurship, Innovation & Knowledge Transfer at Charles University.

INNOVATION WORKSHOPS

Level up your skills. Dive into Design Thinking, public speaking and voice work, navigating career shifts, and real-world entrepreneurial thinking.

VALIDATION CAMP

Put your concept to the test. Experience high-energy teamwork, 1-on-1 mentoring, and the chance to secure up to CZK 20,000 in funding to validate your project.

WORKSHOPS & GUEST LECTURES FOR YOUR CLASSES

Bring hands-on expertise into the classroom. Practical sessions on Lean Canvas, intellectual property, and transforming academic findings into practical solutions.

SPECIALIZED COURSES

Do you have a research idea? Discover how to validate its potential, protect it, present it, and find a path towards practical application.

4EU+ UNIVERSITY DIPLOMA

Go global. An internationally recognized program for PhD candidates focused on cutting-edge innovation, venture creation, and project management.

MENTORING

Building a project and looking for support? Get in touch.
